To Whom It May Concern:

Skybiz has offered NEDA an upgraded plan of 400 Mbps, two(2) 200Mbps, from the original 300 Mbps quote for the same rate of 80,000 for 3 months. Installation fee is waived and 2 static IP will be provided. This offer was proposed after knowing that the billing code of our 300Mbps Connect Plus isn't available yet and NEDA have already created the PO. Our management is migrating to a different system and can't create the billing code during this period. To service NEDA, our management approved to offer two(2) 200Mbps plans for the same rate. By this, 2 account numbers will be created.
